- MEMPHIS APPEAL

MEMPHIS. SUNDAY, 1 ? 1 1 1 1 NOVEMBER 19, 1865.

however widely separated by mere geographical distance.

nnot say. Few can say. hers, if would be strange indeed if it names restouered at the three print aldn't keep its own. But I know that New Orleans Here- -- Monday.

While the war existed. "detective were, to a certain extent, a neces-cessary evil. The necessity has ceased, and why not the evil cease with The character of the men who adopt n Europe, and it is no slander to say that he attaches of the War Departmen Bureau are a little worse than the get Out of their own months th ofessional lying. What, for instance can be more base than for a man to go into a house, protend to be an arden abel, appeal for and receive shelter of this ground, and then go off and ret soon after at the head of a squad of fiers, to burn down the house and arres "Such things were done in Missour Kentucky and Maryland during the war. Men who would have kept their spinions and sympathies to themseled quietly at home, were, traved into the expression of a friendly feeling for the Southern cause, and their ruin and the ruin of their familles was the result. Can that be called accom-plishing the cuds of justice? It would be crisel to injure a dor upon the testimony of men so totally destitute of honor and

Succeeding the Ignominious discharge of these villains, should be, and we hope will be, the discontinuance of Military Commissions for the trial of of fenders against civil law. If any of us, or all of us in the South, have committed "tresson," or any other grime, there surely must be some law that has been in fracted, State or National, in a land s prolific in haw-makers, and some tribumalin which the decencies and the dignity of a court of law will be observed, where the offender may be tried and condemned. Let Secretary Stanton goone step further, and neign his shoulder strapped gentlemen to their legitimate business of "serving the United States fullifully and honestly" in the military line, leaving to the Judiciary the duty of keeping counsel in order, and of meting out to oriminals the purishment which i may be fairly and solverly ascertained they deserve. We have great respect for the true and brave soldier. For him who has chosen the profession of arms for his vocation in life, and conducts himself worthily of it, we have the highest ad miration; -it is scarcely possible that you will not find him, in the true sense gentleman. But for the parrenus militarst, made out of not-houses politi cians, or taken from the stews of great cities, whose only "trophies" are gathsixty-one.

Sixty-one.
